

# 'Path to Being' Teacher Training Application and refund policy

## APPLICATION PROCESS

To apply students need to:

- Attend a yoga class with one of our lead faculty member
- Submit the application form available on our training webpage
- Pay the non-refundable registration fee

We require applicants to have a minimum of 2 years of regular yoga practice and good English proficiency to attend our programme.

In case of any medical condition or pregnancy at time of application, please inform us prior to apply so that participation conditions can be discussed with the programme director. A medical certificate may be required to approve the participation to the programme.

## REGISTRATION & COURSE FEES PAYMENTS

Upon receiving an acceptance email, the applicant is required to pay a non-refundable registration fee of CHF800 via bank transfer to secure the registration to the programme.

The registration fee is non-refundable and non-transferable under any circumstances.

By paying this registration fee the participant agrees to the Terms & Conditions.

No fees are charged to applicants who are denied admission into the programme.

The balance of the course fee is to be paid no later than 30 days prior to the start date of the training.

If you are securing the early bird price, the payment must be made in full by the due date. After this date, standard fees apply.

Payment plans can be arranged on request.

## REFUND POLICY

If the applicant withdraws from the programme after the confirmed registration but 30 days or more before the start of the programme, they will forfeit the registration fee but will be refunded any course balance already paid.

If cancellation is done 14-30 days before of the start of the programme, they will forfeit the registration fee and 50% of the balance will be refunded. Depending on circumstances, such amount may be credited towards a future training programme.

If cancellation is done less than 14 days before of the start of the programme or after the training starts, the entire registration fee and programme tuition is non-refundable and non-transferable.

No costs will be reimbursed if the course is terminated prematurely or partially unattended.

We recommend a cancellation insurance in case of cancellation or non-completion of the programme

## TRAINING CANCELLATION

Bubble Yoga reserves the right to cancel or postpone any training before it begins. In that case any payments that applicants have made will be refunded in full in case of a cancellation or if the participants cannot join on the new suggested dates.

If participants are making any travel arrangements to attend the training, we advise them to consider cancellation insurance as Bubble Yoga cannot be liable for any costs incurred for the cancellation of travels.
